

## Fourth Grade Weekly Instructional Guide

**Students:** Following a weekly schedule will help you keep up with your learning while you are at home. Your teacher will help you decide how to spend your time along with your parents. Don't forget to do some physical activity every day!

**Parents:** Extended learning activities are essential to provide students further learning opportunities to promote mastery of grade level standards. Feel free to reach out to your child's teacher for these resources, especially during virtual office hours. \*Real-time lessons are recorded for later viewing.
